Quotations are valid for 7 days from the submission date unless otherwise mentioned. Prices apply to stackable goods, but exclude dangerous goods or perishable cargo and any type of liquid, unless otherwise stated. High-density shipments and cargo containing liquids, lubricants, granules, powders in drums/bags require a separate aviation security procedure. Additional expenses for this procedure will be charged at cost.

Our offer includes a free loading and unloading time of 1 hour each, we charge EUR 35.00 for each additional 30 minutes started. If a hydraulic "truck lift" is required for loading and/or unloading, we will also charge for the use of appropriate vehicles according to the outlay. Storage costs are also included within the first 24 hours. Beyond the specified period, we charge storage fees as per outlay, based on the chargeable weight. Unless otherwise stated, palletizing costs are not included.

A so-called FBA handling (Fulfillment by Amazon) is only possible on request and requires a specific quotation.

Our calculation is based on packages with maximum dimensions of: length 250 cm, width 140 cm and height 160 cm. The billing is based on a chargeable weight with a ratio 1:6 (1 cbm = 167,0 kg) for Air Freight while the ratio for collections & deliveries may vary.

This quotation replaces all previous offers and/or verbal agreements/discussions regarding the stated prices. We base our prices on the transmitted forecast and reserve the right to adjust the offer for the quantities in excess of this.

This tariff information, together with any attachments, is addressed exclusively to the named recipient(s) and applies in addition to our general terms and conditions, which you can download under "Download General Terms and Conditions" <https://forto.com/en/tc/>. Passing on this tariff information to third parties is not permitted.

This quotation sent with all tariff information is non-binding until final acceptance and applies, even if the order has already been accepted by us, subject to availability, space and final acceptance by the selected carriers, such as airlines, trucking companies and other service partners. Our quotation does not include transport insurance if stated otherwise and does not include sales tax, customs, import sales tax or other import duties. Information on this is non-binding and does not represent any assurance that these will be incurred in the stated amount.

Our offer is based on tariffs, rates and surcharges of transport companies or partners involved at the time of submission and applies exclusively to booking and processing of the transport via Forto in the respective countries of departure and destination with local freight payment.

Changes that occur, surcharges that were not known at the time of booking or were not foreseeable nor fixed in advance, as well as other costs of the carrier - e.g. introduction of new or change of existing surcharges, higher fuel prices, changed exchange rates, increase in toll fees, etc., entitle us to an adjustment. Any costs not caused by us, e.g. customs inspection, storage and transfer costs, material and packaging costs, factual assessment, handover fees, bank exemptions, etc. as well as customs and import duties, handling of letter of credits, dangerous goods acceptance, multi-stop, etc. will be charged to you at costs, possibly plus a handling fee.

Obstacles to performance that are not attributable to the risk area of a contracting party are released, the contracting parties are released from their performance obligations for the duration of the disruption and the extent of its effect. Such impediments to performance include force majeure, unrest, acts of war or terrorism, strikes and lockouts, blockades of transport routes and other unforeseeable, unavoidable and other serious events. In the event of an impediment to performance, each contractual party is obliged to inform the other party immediately; the freight forwarder is also obliged to obtain instructions from the customer.

each contractual party is obliged to inform the other party immediately; the freight forwarder is also obliged to obtain instructions from the customer.

After a booking has been accepted, the order can only be canceled by paying a so-called "dead freight" or penalty.

Unless agreed otherwise, all shipments are to be packed securely and properly by the shipper/consignor as per international applicable provisions of the respective mode of transport. All documents required for transport and execution of the order, such as commercial invoices, export permits, certificates of origin, import licenses, customs powers of attorney, etc., must be made available by the shipper/consignor or consignee immediately after booking.
